HIERARCHY OF THE CATHOLIC CHURCH

The Catholic Church is a structured society. It is organised along the following lines for purposes of pastoral service and orderly government and administration.

The Pope is the supreme head of the Church. He has primacy of jurisdiction as well as honour over the entire Church and all of its members.

Bishops, in union with and in subordination to the Pope, are the successors of the Apostles for the care of the Church. They serve the people of their own dioceses with ordinary authority and jurisdiction. They also share, with the Pope and each other, in common concern and effort for the general welfare of the whole Church, and in various ways act in concert with the Pope and each other in a collegiate manner.

Bishops of exceptional status are Eastern Rite patriarchs who, subject only to the Pope, are heads of the faithful belonging to their rites throughout the world.

Subject to the Holy Father and directly responsible to him for the exercise of their ministry of service to people in various jusridictions or divisions of the Church throughout the world are: resident archbishops and metropolitans (heads of archdioceses), resident bishops (heads of dioceses), vicars and prefects apostolic (heads of vicariates apostolic and prefectures apostolic), certain abbots and prelates, apostolic administrators. Each of these, within his respective territory and according to the provisions of canon law, has ordinary jurisdiction over pastors (who are responsible for the administration of parishes), priests, religious and lay persons.

Also subject to the Holy Father are titular archbishops and bishops (who have delegated jurisdiction), religious orders and congregations of pontifical law, pontifical institutes and faculties, papal nuncios and apostolic delegates.

Assisting the Pope and acting in his name in the central government and administration of the Church are cardinals and other officials of the departments of the Roman Curia.

THE SYNOD OF BISHOPS

In virtue of a document entitled "Apostolica Sollicitudo" issued on his own initiative on September 15, 1965, Paul VI provided for the establishment of a Synod of Bishops to advise the Pope on matters pertaining to the welfare of the universal Church. This enactment founded the Synod as a juridical body having the nature of an ad hoc committee of representative bishops which the Pope can activate and call into session at any time.

* The purposes of the Synod are: "to encourage close union and valued assistance between the Sovereign Pontiff and the bishops of the entire world; to ensure that direct and real information is provided on questions and situations touching upon the internal action of the Church and its necessary activity in the world of today; to facilitate agreement on essential points of doctrine and on methods of procedure in the life of the Church."

* The Synod is a central ecclesiastical institution, perpetual by nature.

* It is directly and immediately subject to the Pope, who has authority to assign its agenda, to call it into session, and to give its members deliberative as well as advisory authority.

* In addition to a limited number of ex officio and a few religious participants, the majority of members are to be elected by and representative of national or regional episcopal conferences. The Pope reserved the right to appoint the secretary general, special secretaries, and no more then 15% of the total membership.

The Synod met for the first time on September 29 1967. After that in October 1969, 1971, and thereafter every two years.

THE SOUTHERN AFRICAN CATHOLIC BISHOPS' CONFERENCE

(SACBC)

The Church in Southern Africa under the Apostolic Delegation consists of thirty ecclesiastical territories.

Because of the missionary nature of the work of the Church in Southern Africa, the Archdioceses, Dioceses, Vicariates and Prefectures still fall under the direction of the Sacred Congregation for the Evangelisation of Peoples in Rome.

The Conference is an association of Local Ordinaries, other than Vicars General, of the Roman Catholic Church in the Republic of South Africa, Namibia, Botswana and Swaziland, their coadjutors, auxiliaries and other titular Bishops who perform special work entrusted to them by the Apostolic See, or by the Conference itself.

The Conference is primarily a consultative body and its

resolutions outside the cases mentioned below have no binding force on the Ordinaries or their subjects except in-so-far as individual Ordinaries consent to support them.

In terms of paragraph 38, No 4 of the Decree of the Vatican Council on the Pastoral Office of Bishops' "Christus Dominus" decisions of the Conference are juridically binding only when prescribed by the Common Law, or specified by a special mandate of the Holy See given "Motu Proprio", or in response to a petition from the Conference, they are made in due form by two-thirds majority of those present, and are reviewed by the said Holy See.

The Conference is empowered to set up Commissions for the fostering of special objectives and activities. Each Commission shall meet as often as is deemed necessary, but at least once a year.

The Chairmen of the Commissions shall constitute the Administrative Board of the Conference.

SOUTHERN AFRICAN COUNCIL OF PRIESTS (SACOP)

The Southern African Catholic Bishops' Conference, at its meeting in Cape Town on the 3rd September 1970, decided to make preparations for the establishment of a provisional council of priests for Southern Africa.

The first meeting of this provisional council took place at Pretoria in December 1970. On 9th December 1970, the provisional council decided that a permanent council of priests should be established. In July 1971, the Southern African Catholic Bishops' Conference accepted the Constitution of the Southern African Council of Priests and established the Council as a permanent one. A revised constitution was approved in January 1985.

In the words of the Constitution:

"The purpose of the Council shall be to promote, in hierarchical communion, an effective sharing of responsibility in the mission of the Church". To this end, the Council shall serve as:

(a) an instrument for close co-operation with the SACBC in matters of general concern;

(b) a forum for the exchange and co-ordination of the views of priests regarding the mission of the Church, in a spirit of true brotherly unity;

(c) an agency for dealing with problems affecting the personal life and ministry of priests;

(d) a medium of helpful collaboration with other legitimately constituted apostolic groups, especially those operating at national level;

(e) a means of co-operating with Christian and non-Christian bodies in the development of ecumenical activities.

The priests of South Africa, Namibia and Swaziland are all represented on the Council through delegates from their respective dioceses, on the basis of one delegate per 50 priests, or part thereof.

In 1986, links were made with the international "Assembly of

Priests' Representatives", Room 218, 1307 S.Wabash Avenue, Chicago, Illinois 60605 U.S.A.

BISHOPS' LENTEN APPEAL

After Vatican II the Bishops of Southern Africa have encouraged the Church on the local and national level to become increasingly self-reliant. One practical step towards this goal has been the annual appeal to all the faithful during the six weeks before Easter to contribute in a special way towards "the work of the church and the poor" in the Dioceses of Southern Africa. The response has been generous and is increasing every year.

The largest proportion of money received goes to the poor. Other money goes towards educational projects: bursaries, teacher salaries, priestly formation, Bible translation work and distribution, catechetical formation, Ecumenical projects, etc.

Each Diocese has its own director and they meet once a year with the national director to plan the programme of the following year.

Applications for aid from the fund are received and channelled via the Diocesan Directors, the offices of the SACBC or the office of the National Director: Fr Noel Coughlan OMI, PO Box 50057, Musgrave Rd, Durban 4062. Tel: (031) 28-2732.

PONTIFICAL MISSION AID SOCIETIES (P.M.A.S.)

1. **The Society for the Propagation of the Faith** was founded at Lyons in 1822 by a group of lay people, among whom the central figure was Marie-Pauline Jaricot. With papal encouragement, it spread to the different dioceses of France, then to other European countries and later to America. Since 1928 it has been set up progressively in mission countries too, and at present it exists in 101 countries. So as to give it wider scope and a more universal character, pontifical status was granted to the Society on 3 May 1922, and its central administration was transferred to Rome. It thus became the Church's official organization for mission aid for 938 Dioceses.
Collection is taken on the second last Sunday of October.

2. **The Society of the Missionary Childhood** was founded in 1843 by Bishop de Forbin-Janson of Nancy. From the very beginning it received the support of the Holy See, and quickly spread throughout France, to the other European countries and to America. Recently it has been set up also in several mission countries, and today it is organized in about 90 countries. Its central administration was in Paris. It was given pontifical status on 3 May 1922 and transferred to Rome in 1987.
Collection is taken on the first Sunday of February.

3. It was in France as well, at Caen 1889, that Stephanie Bigard and her daughter Jeanne founded **The Society of St Peter the Apostle**. With the support of the Holy See, it too, spread to the majority of dioceses in Europe and America. Its central administration was transferred to Rome in 1920, and it was officially given pontifical status on 3 May 1922. It is closely linked to the Society for the Propagation of the Faith.
Collection is taken on the first or last Sunday of August.

4. **The Pontifical Missionary Union** (Unio Cleri pro Missionibus) was founded in Italy in 1916 by Fr Paolo Manna. It received papal approval from the beginning and rapidly spread to the majority of dioceses in the world. It is organized in more than 50 countries at present. It received official pontifical status on 14 April 1937. Though founded originally as an association of priests, its scope was enlarged on July 14, 1949, to take in religious Brothers and Sisters. Its central administration is in Rome.

5. Membership Sunday: Collection in May.

THE SOUTHERN AFRICAN COUNCIL FOR CATHOLIC SOCIAL SERVICE (SACCSS)

The SOUTHERN AFRICAN COUNCIL FOR CATHOLIC SOCIAL SERVICE (SACCSS) exists to serve the interests of Catholic social service organizations and institutions in South Africa, Namibia, Botswana and Swaziland.

Its aims include the following: to deal with matters of a national character concerning the work undertaken by its affiliates; to serve as an advisory body on such matters to its affiliates and to the Commission for Christian Service in the Southern African Bishops' Conference; to promote communication, co-operation and co-ordination in the field of Catholic social service.

The establishment of SACCSS in 1970 was an attempt by the Catholic hierarchy to bring about co-ordination within a fragmented social service network. It was evident, for instance, that there was overlapping in some areas of service while others were desperately under-supported. Further, there was no channel through which Church social service bodies could speak with one voice on issues affecting them, or through which they could provide assistance to the hierarchy in Catholic social planning.

Since its commencement, SACCSS has become engaged in a variety of activities. These have included, inter alia, a preliminary survey of Catholic social service; a survey into the need for pension and medical aid schemes for Church organizations;

research connected with welfare legislation; the publication of newsletters and information sheets covering important social activities and issues, and the compilation of a directory of Catholic Social Service in Southern Africa. With the implementation of legislation relating to funding, particularly from abroad, SACCSS has also served as the channel through which a variety of projects can receive assistance. Also initiated by SACCSS and currently being implemented is the Catholics for Service programme whereby Catholics from every walk of life are encouraged to give of their time, skills and expertise in the service of others in Southern Africa who may be less fortunate than themselves.

Perhaps the most important contribution of SACCSS has been its bringing together, in conferences and workshops, of people involved in social service within the areas covered by the Southern African Catholic Bishops' Conference. Besides helping participants to develop an understanding of new trends in social service and community development, these biennial gatherings have also exposed participants to the broader spectrum of social issues within the Southern African context and have provoked new attitudes and actions in the service of people.

Particularly significant are the several regional conferences currently taking place. Ending in a national conference in September 1990, this initiative of SACCSS entitled 'Towards our Future Church", is aimed at providing both the people involved in social service and the members of the hierarchy, with a clear understanding of the needs of the people of Southern Africa and how the Church might best respond in the future.

Members of the Executive Committee for the SACCSS include:

The Institute for Contextual Theology (ICT) was formed in September 1981 by a group of South African theologians. They believed that a theology of the people of South Africa needed to be developed in order to help Christians understand and respond more effectively to the unique conflict in South Africa.

Since its inception the Institute has attempted to facilitate the development of theological tools which would address the dynamics of power and conflict in South Africa. We have promoted a theology of the people by the people and for the people. Our aim is to make a contribution towards the construction and maintenance of a new society, a society that is just, peaceful and liberated from all forms of oppression and exploitation. Our contribution takes the form of Christian praxis or ministry and theological reflection upon the past, the present and the future of our country.

We believe that South Africans will only develop appropriate theological tools by doing contextual theology. All Christian theologies have been developed in one context or another and they all reflect the interests, concerns and assumptions of that context. But not all theologies are aware of this. Contextual theology is critically aware of the context in which it develops and of the contexts of other theologies.

Contextual theology is not an armchair theology that relies solely upon study and reading. Although some research and reading is necessary, those who wish to do this kind of theology will reflect on their praxis - the faith experience of trying to follow Christ as one struggles with others for justice and liberation in South Africa.

ICT is a non-denominational organisation - its members and staff are drawn from a very broad spectrum of churches. It is not affiliated to any church or ecumenical structure in South Africa or abroad.

ICT Resources

Contextual theology for groups

This is a series of booklets organised into modules which are for the use of groups who wish to start learning contextual theology tools. Modules 1 and 2 have been published and Module 3 is in preparation.

Publications

ICT publishes a quarterly newsletter, ICT News. It contains news of ICT activities and of developments regarding contextual theologies, other third-world theologies and the South African churches.

In addition, as the need arises, we publish theological documents, books summarising the findings of our projects or conferences,liturgies and reflections on current events.

Members receive copies of the Institute's annual report and the AGM Conference report.

Documentation Centre

ICT has a specialised documentation centre on contextual theologies. It contains books, journals, documents and audio-visual materials. The centre has catalogued its collection on computer. Use of the documentation centre and its material is arranged in consultation with the documentation officer.

Bookshop

ICT has a small bookshop which specialises in contextual theological books from South Africa and abroad. The bookshop sells books which are not consistently available in commercial bookshops.

Membership

ICT offers four types of membership to people and groups committed to the aims and objectives of the Institute:

Individual membership (including membership for students at reduced rates)

Group membership for church bodies, seminaries, theology departments, discussion groups or any other organisations;

Donor membership for individuals, groups, organisation or funding agencies that wish to donate a minimum of R150-00 a year.

ST PETER'S CONFERENCE CENTRE

Soutpan Road, Hammanskraal

St Peter's Conference Centre is run under the auspices of the Southern African Catholic Bishops' Conference.
Director: Rev R Mahlangu.

St Peter's is situated about forty-five kilometers north of Pretoria and sixty kilometers south of Warmbaths. It is about fifteen minutes walk from the railway station. There is ample public transport from Hammanskraal railway station.
The Centre offers the much needed atmosphere of quiet, concentration and reflection for many types of gatherings, meetings and retreats. It is also available for short meetings when accomodation is not needed.
The Centre can also be used for meetings on Family Life. The nature of the Centre does not allow for the presence of children on the premises. However, in special cases, provision can be made for parents to bring along their children.

Special training and educational gatherings can also be held at the Centre. Classrooms designed for both small and large groups are available.

All enquiries and correspondence should be addressed to the Bursar, PO Box 10, Hammanskraal 0400. Tel:(012012) 33 between 08:00 and 12:00.

Application should be made in writing and accompanied by the registration fee of 50% per person. This payment will be refunded if the application is unsuccessful. This fee does not constitute part of the Board and Lodging fees. It is merely a pre-condition for the confirmation of your booking. It is not refundable.
It is not possible to make a provisional booking. A booking is either confirmed or not made at all. The Bursar will ensure that you receive a letter confirming your booking. He or she should be given details of the number of participants and the dates of arrival and departure should be given.

Because of the increasing number of students studying at St Peter's accomodation is extremely limited except during the vacation months of July, December and January.

GABA PASTORAL INSTITUTE

It is an extension of the Publications Department of the AMECEA PASTORAL INSTITUTE (Gaba) - Box 4002, Eldoret, Kenya, whose director is Fr Alphonse Mdekimo. The AMECEA Institute offers a pastoral course of one year (starting at the end of January of each year) to men and women involved in ministry. ARCHDIOCESE OF BLOEMFONTEIN

Suffragan Sees: Kimberley, Kroonstad, Keimoes-Upington, Bethlehem, Gaborone

PATRON:
The Sacred Heart of Jesus

Originally the area of the Orange Free State was part of the Vicariate of Natal, which was established by the Holy See on 5 October 1850, extending from the Kei River in the South and to Quillemane in the North and confided to the Oblates of Mary Immaculate. Bishop JE Allard OMI, was appointed the first Vicar Apostolic. Consecrated in Marseilles, France, on 13 July 1851.

The Zambesi Mission to the North of the Limpopo was confided to the Society of Jesus in 1879. Then in 1886 the remaining territory under Bishop C Jolivet OMI, was subdivided into the Prefecture of the Transvaal and the Vicariate of the Orange Free State, comprising the Free State, Basutoland and the Diamond Fields; on the North and on the West, the Vaal River; and on the East the Drakensberg Mountains. The new Vicar Apostolic, Bishop Anthony Gaughren OMI, (consecrated in Tower Hill, London on 10 August 1886) would reside at Bloemfontein. Bishop Q Devereux of Grahamstown had sent Father R Hoenderwangers, O.Praem. to visit Bloemfontein in 1850 and he took up residence there in 1852, remaining as the pioneer priest of the Free State until his return to Belgium in 1869, when his place was taken by Father Le Bihan OMI, and later by Father V Bompart OMI.

When Bishop A Gaughren arrived in November 1886 the train terminus from Cape Town was Kimberley and so he took up residence there, travelling regularly by post cart to Bloemfontein and on to Basutoland. Kimberley remained the Episcopal Residence for his successors, Bishop Matthew Gaughren OMI (1902-1914) and Bishop HJ Meysing OMI (1924-1951). During the interregnum (1914-1924) Bishop C Cox OMI, of the Transvaal was Administrator Apostolic.

On 11 January 1951, by Papal Bull, Pope Pius XII established the Ecclesiastical Hierarchy in the Union of South Africa, and set up the Ecclesiastical Province of Bloemfontein.

The Archdiocese includes the civil districts: Bloemfontein, Boshof, Brandfort, Dewetsdorp, Edenburg, Fauresmith, Jacobsdal, Philippolis, Reddersburg, Smithfield, Thaba Nchu, Trompsburg,

Wepener, Zastron, and portion of Ladybrand, Hoopstad and Winburg.

ARCHDIOCESE OF CAPE TOWN

Suffragan Sees: Aliwal, De Aar, Oudshoorn, Port Elizabeth, Queenstown

PATRONS:
1. Our Lady of the Flight into Egypt
2. St Patrick

From the time of the discovery of the Cape, ecclesiastical jurisdiction over it appertained to the Portuguese missionary authorities. After the settlement of the Cape in 1652, the practice of the Catholic religion was prohibited by the civil authorities.

Commissioner General De Mist, by an Ordinance of 25 July 1804, declared that "all religious societies which for the furtherance of virtue and good morals worship an Almightly Being, are to enjoy in this Colony equal protection from the laws ...." and in 1805 three Dutch priests arrived to minister to the Catholics of the Cape. One of them, Father Johannes Lansink, was appointed Prefect Apostolic. The following year the military authorities ordered them to leave.

In February, 1818, Pope Pius VII erected the Vicariate Apostolic of the Cape of Good Hope and adjacent territories. Subsequently the Island of Mauritius was added, and the first Vicar Apostolic, Right Reverend Bishop Bede Slater, O.S.B., having called at the Cape, went to reside there. He was succeeded by Rt. Reverend Bishop William Placid Morris, O.S.B., who also resided at Mauritius.

On 6 June 1837, Pope Gregory XVI constituted the Cape of Good Hope a separate Vicariate and appointed Rt. Reverend Bishop Patrick Raymund Griffith, O.P., as the first resident Vicar Apostolic.

On 24 May 1872, the Prefecture of the Central District of the Cape of Good Hope was detached from the Western Vicariate.

In 1874, the Vicariate of the Cape of Good Hope was divided into the Vicariates of the Western District of the Cape of Good Hope and the Eastern District of the Cape of Good Hope.

By decree of the Sacred Congregation of Propaganda Fide dated 13

June 1939, the name of the Western Vicariate was changed to the Vicariate of Cape Town.

On 11 January 1951, Pope Pius XII established by Papal Bull the Ecclesiastical Hierarchy in the then Union of South Africa, and set up the Ecclesiastical Province of Cape Town, comprising the Metropolitan Church of Cape Town, with the suffragan sees of Aliwal, Oudtshoorn, Port Elizabeth, Queenstown and De Aar.

By the same Papal Bull, the Most Reverend Archbishop Owen McCann was appointed to the Metropolitan See of Cape Town.

The Archdiocese has for its boundaries: on the West, the Atlantic Ocean; on the North, the southern boundries of the Van Rhynsdorp district; on the East, the western boundaries of the Calvinia, Ceres, Tulbagh, Worcester, Robertson and Swellendam districts; on the South, the Indian Ocean. The civil districts within the ecclesiastical area comprise the following: Cape, Wynberg, Simon's Town, Bellville, Somerset West, Stellenbosch, Paarl, Wellington, Caledon, Bredasdorp, Malmesbury, Piquetberg, Clanwilliam. The Islands of Tristan da Cunha, Ascension and St. Helena belonged to the Archdiocese of Cape Town
until 18 August 1986 when they were given to the care of the Mill Hill Fathers.

ARCHDIOCESE OF DURBAN

Suffragan Sees: Mariannhill, Eshowe, Dundee, Umtata, Kokstad, Umzimkulu, Ingwavuma.

PATRONESS:
Our Lady of the Immaculate Conception.

This territory was erected as the Vicariate of Natal on 5 October 1850, extending "from the Kei River, that is, from the boundary of the Eastern Vicariate of the Cape of Good Hope, to Quilimane, that is, the Eastern extremity of Portuguese territory, and interiorly to the Tropic". It was confided to the Oblates of Mary Immaculate.

The vague delimitation of boundaries prompted many queries on the part of the first Vicar Apostolic, Bishop Allard, who finally interpreted them as extending northwards as far as the tropic of Capricorn and excluding Portuguese territory. On 15 March 1876 a clarification was issued to Bishop Jolivet establishing the boundaries of the Natal Vicariate as following the line of the coast from the Kei River to Quilimane, then along the 18th degree of latitude south, down the 18th degree of longitude east, and finally along the course of the Orange River and the frontier of the Cape Colony, leaving British Kafraria in the Eastern Vicariate.

This huge territory was divided soon afterwards when the Zambesi Mission was confided to the Society of Jesus in 1879. There followed in 1886 the erection of the Vicariate of the Orange Free State (comprising the Free State, Basutoland and the Diamond Fields); and the Prefecture of the Transvaal. In 1921 further divisions were made with the creation of the Vicariates Apostolic of Mariannhill, Eshowe, and Swaziland.

On the establishment of the Hierarchy on 11 January 1951 the Vicariate Apostolic of Natal became the Archdiocese of Durban. In 1958 the northern section of the Archdiocese was detached to form part of the Prefecture Apostolic of Volkrust, now the Diocese of Dundee.

The Archdiocese of Durban comprises the civil districts of Camperdown, north of the Umlaas River, (except the farms of Mariannhill, Klaarwater, Dassenhoek, Welbedag and portion of Stockville), Durban, Estcourt, Inanda, Kranskop, Lions River,

Lower Tugela, Maphumulo, Umvoti, Weenen, Bergville and part of Msinga.

DIOCESE OF ESHOWE

(Province of Durban)

The Prefecture of Zululand was erected on the 27 August 1921 and entrusted to the Benedictine Congregation of St Ottilien. Before that time it had formed part of Natal Vicariate. On 11 December 1923 it was raised to the status of a Vicariate under the title of "Vicariate Apostolic of Eshowe". With the establishment of the Hierarchy in South Africa it became the Diocese of Eshowe on the 11 January 1951. This Diocese now comprises Zululand proper, (with the exception of the districts of Ingwavuma, Umbombo and Hlabisa)), and the four Natal districts of Vryheid, Paulpietersburg, Ngotshe and Babanango. It is therefore bounded on the East by the Indian Ocean, on the South by the Tugela River, on the West by the Tugela, Buffalo, Blood and Didusini Rivers, on the North by the Pongola and Umfolozi Rivers.

DIOCESE OF JOHANNESBURG

(Province of Pretoria)

PATRONESS:
The Immaculate Conception

The territory of the Transvaal was under the jurisdiction of the Vicar Apostolic of Natal, Mgr M F Allard, OMI, as from 5 October 1850, and as early as the year 1854. Holy Mass was celebrated at Mooi River, now called Potchefstroom, by a travelling priest. According to the law then in vogue "no other religion but that of the Dutch Reform Church was allowed within the South African Republic", but occasional visits were made by priests from Natal and the Free State, until in 1869, Rev Le Bihan, OMI, was appointed to that area. He was immediately responsible for the abolition of this law and subsequent freedom of Catholic worship.

In 1886, the Transvaal was separated from Natal and erected into an ecclesiastical Prefecture, under Rt Rev O Monginoux, OMI (1886-91), (died 28-11-1917). He was succeeded by Rt Rev A Schoch, OMI (1892-1898), who died in April 1898. The Rev John De Lacy, OMI, acted in the interim until 1902, when Bishop Matthew Gaughren, OMI, Vicar Apostolic of Kimberley, also served as Administrator of the Transvaal.

The Transvaal became a Vicariate in 1904, with Bishop W Miller, OMI, as first Vicar Apostolic. The territory has since been subdivided, first in 1910, when the northern part was confided to the care of the Benedictines; then in 1923, when the Lydenburg Prefecture was formed under the Missionaries Sons of the Sacred Heart; then in 1948 when the Pretoria Vicariate was erected, and finally in 1965 when the Prefecture of the Western Transvaal was handed over to the Oblates of Mary Immaculate of the Belgian Province.

It comprises the following civil districts: Johannesburg, Alberton, Balfour, Benoni, Boksburg, Brakpan, Delmas, Germiston, Heidelberg, Kempton Park, Krugersdorp, Nigel, Oberholzer, Randburg, Randfontein, Roodepoort, Springs, Vereeniging, Vanderbijlpark and Westonaria.

With the creation of the Ecclesiastical Hierarchy in the Union of South Africa on the 11 January 1951, the Vicariate was raised to the status of a Diocese.

Area: 14 517 sq.km. **Total Pop:** 3 290 145 **Cath Pop:** 560 000

The Diocese is bounded on the West by the Diocese of Klerksdorp; on the South by the Vaal River; on the East by the Lydenburg-Witbank Diocese and the Diocese of Dundee; and on the North by the Archdiocese of Pretoria.

Former Ordinaries: Rt Rev William Miller, OMI, DD, consecrated Bishop of Eumenia and Vicar Apostle of the Transvaal 20 November 1904. Resigned 1912, died 8 November 1927. Rt Rev Charles Cox, OMI, DD, Ordained Bishop of Dioclea, appointed Vicar Apostolic of the Transvaal Vicariate 28 October 1914. Resigned 1924, Died 9 March 1938. MARONITE CHURCH

Church of Our Lady of Lebanon: 61 Mint Rd, Fordsburg, Box 42135, Fordsburg 2033. Tel: (011) 834-7128.

The Maronite Church was founded in Johannesburg in 1908.
The Maronite Church is an Oriental Church belonging to the Syriac Liturgy of Antioch ascribed to St James the Apostle. The Liturgical Language is Syriac or Aramaic, while the vernacular has always been in use.

The Vatican Council II in the decree on the Eastern Catholic Churches recommends the preservation and growth of each

individual church and directs that "Those who, by reason of their office or an apostolic assignment, are in frequent communication with the Eastern Churches or their faithful should, in proportion of their task, be carefully trained to know and respect the rites, discipline, history and characteristics of Easterners."

The Pope in his "Motu Proprio" of 22 February 1949 published the section of the projected code of Oriental Canon Law which refers to marriage. The new laws abolish those previously in force and apply from 2 May 1949. They bind all persons of Oriental Rite all over the world. These marriage laws differ in many respects from Latin Rite Laws. Whenever a person of Oriental Rite comes to a Latin Rite Priest to be married, he or she remains bound by the Laws of the Oriental Rite. The children follow the rite of the father, or of the Catholic parent in a mixed marriage. This is the case even where they have been baptised by a Latin Rite priest. The fact that they have been baptised and brought up exclusively in the Latin Rite does not exempt them from the laws of their own rite. (The Clergy Review, May 1949).

(Province of Bloemfontein)

PATRONS:
1. The Immaculate Conception
2. St Francis de Sales

Formerly part of the Central Prefecture, the Missions of Namaqualand came under the care of the Oblates of St Francis de Sales in 1882. In 1884, the territory was established as a separate Prefecture Apostolic and became the Orange River Vicariate in 1898. The name was changed to Keimoes Vicariate in 1940.

On the establishment of the Ecclesiastical Hierarchy in South Africa (11th January 1951), the Vicariate became known as the Diocese of Keimoes. Canonical possession of the new See was taken on the 10th July 1951.

This Diocese is bounded on the West by the Atlantic Ocean; on the North, by Namibia and the Republic of Botswana; on the East, by the eastern limit of Gordonia and Kenhardt districts; on the South, by the southern boundaries of Van Rhynsdorp, Prieska, Kenhardt, Williston and Calvinia districts. The name of the Diocese was changed to Diocese of Keimoes-Upington by S.C. de Propaganda in 1985.

DIOCESE OF MARIANNHILL

(Province of Durban)

In 1882 Prior Franz Pfanner of the Reformed Cistercians (Trappists) took possession of what is now the Mariannhill Monastery, with the intention of establishing a Trappist Monastery and commenc- ing the work of evangelisation amongst the local Africans. In 1885 he became Abbot of the new foundation which he called "Mariannhill". He resigned from office in 1893 and was succeeded by Abbots Amandus Scholzig (died in 1900) and Gerard Wolpert. Abbot Franz Pfanner died on the 24 May 1909, and about the same time Rome Separated the Mariannhill Abbey from the Trappist Order. Mariannhill was then constituted as an independent Missionary Congregation with its official title: The Congregation of Missionaries of Mariannhill (C.M.M.).

In 1921 the Mariannhill Vicariate (up to then part of the Natal Vicariate) was erected, comprising of the southern part of Natal and the whole of the Transkeian territories. It was sub-divided in 1930 and again in 1935, territories which now form the Diocese of Umtata and Kokstad and part of Queenstown. In 1954, it was divided again, the territory of the Diocese of Umzimkulu being detached.

The civil districts within the ecclesiastical boundaries of the Diocese of Mariannhill comprise the following:
Ixopo, Impendle, Richmond, Umzinto, Umbumbulu, parts of Port Shepstone, Camperdown and Pinetown, Polela and Underberg.

DIOCESE OF OUDTSHOORN

(Province of Cape Town)

PATRONESS:
The Immaculate Heart of Mary

The Diocese of Oudtshoorn was established as the Central Prefecture by decree of the Holy See on 24th May 1872. Up to that date it had been part of the Western Vicariate. On the 13th July 1874 it was entrusted to the "Missionaries for African Missions of Lyons". The Fathers of Lyons left the Central Prefecture in 1882. The Western part of the Prefecture was then given to the Oblates of St Francis of Sales and a new Prefecture erected in 1884. The Eastern part came again under the jurisdiction of the Vicar Apostolic of the Western Vicariate as the Central Prefecture, until 1922 when it was separated from the Western Vicariate and entrusted to the Pious Society of Missions, now called the Society of the Catholic Apostolate (Pallottine Fathers).

On 13th June 1939, the name: Central Prefecture was changed to Prefecture of Oudtshoorn which was raised to the Status of Vicariate on 9th December 1948. On the establishment of the Hierarchy, 11th January 1951, the Diocese of Oudtshoorn was constituted. It has for its boundaries on the West: the Eastern boundaries of the Bredasdorp, Caledon, Paarl, Malmesbury, Clanwilliam, Van Rhynsdorp and Namaqualand districts; on the North: the Southern boundaries of the Kanhardt and Prieska districts; on the East: the Western boundaries of the Britstown, Richmond, Murraysburg, Aberdeen, Jansenville (the former Western boundary of Uitenhage district) and Humansdorp districts; on the South: the Indian Ocean, the Northern boundaries of the Caledon and Bredasdorp districts. By Decree of the Holy See the districts Calvinia and Williston were separated from Oudtshoorn Diocese in 1979 and are now under pastoral care of Keimoes Diocese.
